Welcome Message

Dear Participants,

Welcome to the **GA²CI Masterclass on Inborn Errors of Immunity (IEI)**, a focused and enriching educational event dedicated to advancing understanding, diagnosis, and management of IEIs.

This masterclass has been approved by The Royal College of Pathologists for 6 CPD credits and is designed to bring together healthcare professionals and specialists to explore the latest insights, research, and clinical approaches in the field of immunodeficiencies. Through expert-led sessions and interactive case discussions, we aim to foster deeper knowledge and improved patient care across the region.

We are delighted to have you join us for this important initiative, and we look forward to a productive and collaborative learning experience.

Regards,

Dr. Hiba Shendi
